## Trinity

PO Box  
Cullom,

Hello, everyone!

## Cabery

Ames &  
815/949.

As I am writing this I am looking at the tops of the clouds, literally. Susan and I are on a flight to Spokane Washington to drive our son and his family back to Illinois. I would like to thank everyone who prayed that we have safe travels. Thank you.

So what have I learned from this trip so far. Trust and rely on God. Yes your pastor still needs help trusting and relying on God. You see our flight was canceled and moved to a different day, which I could not afford with only taking a few days off for the trip. However Susan went to work and found a flight out of O'Hare later that day and we only lost 1 hour instead of a whole day.

## Kempton

How is that trusting and relying on God you ask? For some reason we were not to be on the first flight. Would that flight maybe have crashed? I don't know. Maybe we could have been stranded in Dallas on lay over for 3 days, I just don't know. For whatever reason I needed to trust and rely on God to get us Spokane the way he wanted us to go. Not the way I wanted to go.

## Ministry

How are you going now? Where are you going now? Are you trusting God to lead the way? If it's not going smooth, He will send you help. Will He reach down His Almighty hand and lift you up above your adversaries? Maybe, but He just might send in someone you know and love to save the day. And as my son said when he heard that we would just be 1 hour late instead of a whole day, "Praise the Lord." Trust God to lead and rely on the thought that He knows best.

# With the Kids

Every Wednesday evening in July, Kempton Methodist Church is having a time with kids in the church yard. From 5:30 – 7:30 pm, kids will enjoy games, food, crafts and a Bible story. Kids age 3 and up are welcome. Older ones can help with the younger ones.

## Learning Opportunity

This July, Troy United Methodist Church is partnering with Messiah's Mansion to host a life-size, artistically crafted replica of the ancient Hebrew tabernacle. People of all ages can explore this living museum and discover the deep significance of each element of the tabernacle.

This traveling museum has always generated an overwhelming response in the communities Messiah's Mansion has visited before, and we believe it will be a powerful way to spark or strengthen the faith in our region.

The exhibit will be on our church grounds (407 Edwardsville Road in Troy) from July 17 to 25. Each day, we will host free tours from 1-7 p.m. with group reservations available by phone call. The tour is divided into five sections and will last approximately an hour and 15 minutes. You can find more details at [www.troytabernacle.org](http://www.troytabernacle.org)<<http://www.troytabernacle.org>>.

Please let me know if you have any questions or would like any more text/photo material to work with!

I pray that God will bless our churches and communities in a special way through this opportunity.
